CANADATICKET

Ticket, Tag & Label Print Solutions

Serving The Ticket Industry Since 1979...

Canada Ticket was incorporated in 1979 in British Columbia. This family-owned company is operated by four principals with a team of experienced employees, all of whom are dedicated to the excellence of product and service. We are housed on our own premises, uniquely designed for the production of specialty printing. We are a security printing company servicing Government, Provincial/State, Cities, Print Shops, Brokers and End Users.

Being a "custom" manufacturer, tickets/tags/labels can be produced in virtually any colour, size or configuration to suit your needs. From a simple one color print to full color process. In addition, our direct thermal products are manufactured for use in most of the equipment found on the market today.

Our extensive product line includes the following but not limited to...

- **AIRLINES:** boarding passes (with or with magnetic strip), baggage tags (direct thermal or traditional – rolls or fanfolded), electronic tickets (thermal rolls)
- **PARKING:** dispenser tickets, fanfold tickets, magnetic stripe and barcode tickets, thermal rolls, violation rolls, receipt rolls, stickers, ticket envelopes, mirror hangers, flat ticket
- **TRANSIT:** yearly & monthly passes, single tickets, sheet tickets, strip tickets, loose or booked, etc.
- **THERMAL ADMISSION TICKETS:** used with direct thermal printing equipment such as Boca, Practical Automation, Datamax printers for venues such as theatre, cultural events, sporting events, museums and many more
- **ADMISSION TICKETS:** "hard tickets" whether they are singles, sheets, dot-matrix or laser-sheet for venues such as theatre, cultural events, sporting events, museums and many more
- **SKI INDUSTRY:** lift passes - paper, plastic, pressure sensitive, linerless, computer style, vouchers, validation stickers, seasons passes, contracts
- **GAMING INDUSTRY:** from simple redemptions tickets to direct thermal tickets (fanfolded or rolls)
- **AMUSEMENT PARK, RECREATION CENTRES:** sheet tickets, fanfold tickets, roll tickets, singles, loose, padded, booked
- **SPECIALTY TAGS:** various stocks, numbered, multi-part, patched, eyeletted, strung, wired, etc.
- **NUMBERED PRESSURE SENSITIVE:** inventory, waste management,
- **SECURITY OPTIONS:** UV "black-light" inks, coin reactive inks, thermo-chromatic inks, numbering, barcoding, random/variable numbering, micro-printing, security perforations, embossing, de-fraction/holographic foils

Canada Ticket will work with you or for you to create the product that best suits your specific needs. We welcome all inquiries and we look forward to hearing from you.
